VOL. 10 NO. 10 WEDNESDAY, APRIL 19, 1969 10¢ PER COPY

Money, money, money. But it's funny. Lions Rock Holman, Gerry Belke, Niels Hovedskov, Laurie Turner and Rod Thronsdon wallow in the funny money they hope will flood their gaming tables at their Casino Nights in the Community League Hall on Friday and Saturday.

Lions' Casino Nights miniature Las Vegas

St. Albert will have a touch of the Klondike about it this weekend.

There will also be a taste of Las Vegas.

The St. Albert Lions Club will present its annual Casino Nights on Friday and Saturday, April 18 and 19, in the Community League Hall.

The action will start at 7 each evening, lasting until either the patrons or the house goes broke on Friday but closing off at midnight Saturday.

Admission is advertised at 25 cents but complimentary tickets are available for the asking at nearly every business establishment in the town.

There will be bingo downstairs and games of chance upstairs.

There will be spot raffles and prizes for Klondike beards and costumes.

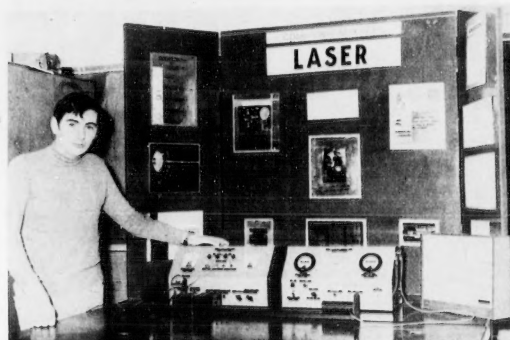

Long-legged net-stockinged girls will be on hand

to provide cigarettes and light the eyes.

Funny money will be used throughout the evening with a dime buying \$100 and \$1 buying \$1,000.

Lion Jerry Belke said there may be betting limits on some games but there would be no limits on winning.

And it's billed not only as a night for the adults, but for the family.

Science Fair winner

Vic Post, 15, of 24 Sunnyside Cres., won third prize in A category in the Science Fair held at the Jubilee Auditorium last weekend. Vic, a Grade 10 student at Paul Kane High School, built a communications laser as his project. He says the sending of messages over light beams is very new in communications and predicts they could some day replace radio waves as carriers of bulk communications. Interested in electronics from almost the time he can remember, Vic's other hobbies are citizen band radios, photography and skin diving.

Air cadets banquet attracts nearly 200

Nearly 200 persons attended the annual banquet of the St. Albert Air Cadet Squadron 533 in the Club Mocombo on Tuesday night. It was a show run entirely by the cadets and it went off like clockwork.

Master of ceremonies was WO2 Ron Maine.

Others taking part in the events of the evening were F/S Trevor Maine, toast to the Queen; Cpl. Keith Russell, tribute to former air cadets; Cpl. Bill Tolman, tribute to the Canadian armed forces; Cpl. Cameron Willis, tribute to civilian instructors; Cpl. Doug Bremner, tribute to provincial air cadet committee; Cpl. Claude Carignan, tribute to the sponsoring body, St. Albert Lions Club; Cpl. Darrel Kendel, tribute to St. Albert civic administration; Sgt. Barry Filides, toast to the parents; WO2 Ron Maine, introduction of guest speaker Gordon Taylor, minister of highways; Sgt. David White, thanks to guest speaker.

Marcel Bergevin is commanding officer of the cadet squadron. Gordon Martin is adjutant. John Filides is chief instructor and Russ Waite is supply officer and band leader. He is assisted with the band by Lawrence J. White.

Cadets Bill Hart and Ron Maine received their warrant officer certificates from Mr. Taylor. Warrant officer is the highest rank a cadet can reach.

The squadron presented a pin to Pat Patterson, chairman of the air cadet committee of the Lions Club for his interest and support during the past year.

Military guests included Lt. Col. John Crofton, com-

manding officer of No. 7 supply depot at Canadian Forces Base Edmonton; Capt. Don Murchie, district cadet officer; Lt. Ray Theriault, liaison officer, and Ptl. Lt. Ian Ladley of the RAF.

Civilian guests included Mayor Gibbon; Gerry Ward and John Cooley, who are assisting the cadets in building an aircraft; Hans Felch, who instructs them in radio and electricity; Ollie Kendel, who instructs them in the use of small arms; Roy Hart, former CO of the squadron who was representing the provincial committee; and Lions President Rod Thronsdon.

George Lee, one of the early officers with the squadron, and former cadets Bill Hart, Peter Lee, Colin Lamoureux, Gordon Maine, Bernice Veness and Rosal McBlane were also in attendance.

McBlane handled the piping for the evening and Lt. Russ Waite handled the drums.

Displays were set up around the room showing small arms, training programs, radio, rank badges, model aircraft, and to top them off, the fuselage and tail assembly of the plane the boys are building.

Local youth injured in car crash

A St. Albert youth suffered serious back injuries when the car in which he was a passenger rolled on a curve on Highway 18, eight miles west of Westlock, shortly after midnight Friday.

Larry deBrulj, 17, is in hospital in Westlock. He is to be transferred to hospital in Edmonton later this week.

Three others in the car escaped with minor injuries. Laurie James Kelly, 18, Dale Bellisle, 19, and Carl Vanderstraten were not detained in hospital.

LEARNING ABOUT THE WEATHER
... Dave Fraser instructs Grade 8 students

Vital Grandin students learn about weather

Dave Fraser, chairman of the St. Albert Public School Board, stepped into the role of teacher for a brief period Monday morning.

Mr. Fraser, supervisor of Arctic Weather Central at the International Airport at Nisku, gave a presentation on weather to about 100 Grade 8 science students at Vital Grandin School.

The project was promoted by science teacher Floyd McCurry, who felt it would "give some life to the science program and motivate interest among the students."

It is the first time such

a project has been undertaken at the school.

Mr. Fraser outlined what happens with weather and the role his office plays in forecasting it.

Mr. Fraser explained the workings of two wind-measuring instruments one of which was home-made and

one manufactured. Both could do the same job.

A film, "The Goddess of Weather," was part of Mr. Fraser's presentation.

Mr. Fraser's work has taken him to the Arctic several times and he has written scientific papers on the region.

Arena pot swelled by \$1100

The St. Albert and District Arena Fund received donations of \$1,100 last week.

The Community League committed itself for \$1,000 and the St. Albert Employees Union Local 941 donated \$100.

The arena committee is at present organizing a residential canvass.

Anyone wishing to volunteer services is asked to contact Marcel De Champagnat at 599-7003.

A short while back the Sturgeon River reverberated with the sound of power toboggans. Now, after a brief respite, the sounds are back. Only this time it's not Ski-doo's, but Sea-Doo's. Russ O'Ginski of 11145 106th Street took advantage of the open water Tuesday to test some of the machines for R and L Marine and Tract Equipment Ltd.

Gramlich assists in fund drive

Dr. E. N. Gramlich, well-known St. Albert medical doctor, is heading the three Alberta universities capital fund campaign in the St. Albert district.

Dr. Gramlich is one of 3,000 volunteers working on the campaign throughout Alberta.

The 3AU Fund is in full swing across the province with volunteer workers seeking to raise \$25,000,000 for the Universities of Alberta, Calgary and Lethbridge. Canvassers making calls are accepting five-year pledges, along with cash donations for the fund which will be used to help finance capital works programs at the universities between 1967 and 1972.

The provincial government will match dollar-for-dollar the money that is raised for priority projects.

Rural people of the province are being asked to consider pledges toward this fund.

All sectors of our society are being approached for funds, including national corporations, provincial companies, local businesses, Friends of the University, alumni, staff and students, professional organizations, farmers and parents.

The Valiant, presented by the Boyle School, Sukumar Nayar directing;

Beat It, Bealnik, presented by Dr. Swift Junior High School from Lac La Poudre, Miss Janet Lloyd-Jones directing;

Legend of the Lake, St. Albert High School, Mrs. Marguerite Kaminski directing.

Edwin Parr Composite School from Athabasca will also present a play, with Miss Patricia Rafferty directing.

Adjudicator will be Mrs. Alice Polley, a teacher at the Citadel Theatre School. Mrs. Polley obtained her masters degree in fine arts from the University of Texas.

Susan Francil fills the demanding role of Ana, who is confined to bed for nine-tenths of the play.

Frank Turner plays Creencio, the moody husband; Margaret Ripley plays Miguelita, the mute; Moira McLoughlin plays Josefa; and Jan Donalds plays Dr. Alvarez.

IODE

Members of the local IODE chapter and their guests enjoyed a delightful showing of the newest stylings in wigs last Thursday evening. The fashions were by Wig Waggers and the show was held at Molson's House. Door prizes were donated to Father Lacombe Chapter by St. Albert Merchants and all proceeds of the project will go to the IODE scholarship fund.

Two new members of the local IODE, Mrs. C. W. Bahr and Mrs. L. R. Phillips, were welcomed and installed by Mrs. D. S. Odinga, regent, at the last monthly meeting of the Father Lacombe Chapter.

A message from the fire chief

The long, cold winter is finally gone and spring is here, which brings around the time for the spring clean-up of accumulated rubbish, etc.

The St. Albert Volunteer Fire Department would like to have the co-operation of all the citizens in the spring clean-up program.

Cleaning up the rubbish, etc., that accumulates during the winter months does away with potential fire hazards.

We would like to point out to homeowners that a good many cleaning fluids are flammable and if not used according to directions, could result in a disaster.

There are no home fires to date this year, and with the practice of fire prevention by all this good record can be kept up.

For any information on fire hazards or fire prevention, do not hesitate to call the Fire Hall 599-7021. We would be only too happy to oblige.

Lets clean-up, not burn-up.

Fred Tetarenko,
Fire Chief.

Grandin Shopper's Park, PH. 599-8383

St. Joseph's High School won the annual paint-in at the Westmount Shoppers' Park during Easter week. L. E. Usher, deputy minister of youth, presented the awards to team members Penny Van Hees and George Desrosiers of Edmonton and Louise Lamoureux of 12 Sterling Street, St. Albert. Students from nearly all city high schools painted on the mall all week to raise money for the Winifred Stewart School for Retarded Children.

Paul Kane student to attend seminar

Students, businessmen and educators will have a chance to say what they think of Alberta's school system when they meet at the Alberta educational council's annual meeting on May 9 and 10.

Theme of the two-day seminar in the Students' Union Building at the University of Alberta is "Confrontation for Co-operation".

Education Minister Robert Clark will exchange views with representatives of student bodies, the Edmonton Chamber of Commerce and educators from across the province.

Chris Soder, 41 Green-wich Cres., a Grade 12 student at Paul Kane High School, will be one of the spokesmen for Alberta students at the seminar.

Alberta's education needs in the 21st Century will be explored and related to our present school system. A big question is whether Alberta has the kind of teachers and curriculum to educate young Albertas for life in the world of the next century. Preregistrations are now being received by Werner Schmidt, executive director of the Alberta School Trustees Association.

Lady curlers pick officers

The St. Albert Ladies' Curling Club elected its 1969-70 executive at a meeting in the clubroom at the rink on April 2.

Executive members are Helen Gervais, Leona Eriksen, Jean Kane, Bea Watkins, Marion Murray, Vera Neveu, Cettie Como and Bea Krogh.

About 70 members attended the meeting.

A group of Boy Scouts visiting an FBI office stopped to view the pictures of "The Ten Most Wanted Men." One boy pointed to a picture and asked if that really was the photograph of the wanted person. The FBI man assured him it was. "Then why," asked the boy, "didn't you keep him when you took his picture?"

Power, telephone trouble

Fire on a power pole plunged most of St. Albert into darkness for nearly 45 minutes early Monday.

A spokesman for Calgary Power said the fire started when an insulator began to leak while it was raining.

The pole, situated behind 28 Grosvenor, was on the main line feeding the town. The whole town was without power for seven minutes and more than half of it for 45 minutes at one stretch.

Other poles also caught fire, causing local power breaks. The St. Albert Volunteer Fire Department responded to three calls.

The rain also caused a disruption in phone service to many business establishments in the downtown area.

A spokesman for Alberta Government Telephones said the trouble was caused by water getting into two cables. It took until mid-afternoon to effect repairs.

He said there had been 13 calls reporting trouble.

Bantam champions; Blackhawks

Black Hawks won the St. Albert Bantam Hockey League championship this past season for the second straight year. Harry Bellerose (back row right) took over as coach of the slumping team at mid-season and they rebounded from there. Players are: (back row left

to right) Rene Vallee, Ernie Mitchell, Simon LaFrance, Gordon Bellerose and Hans Commandeur; front row: Ray Gamache, Richard Vallee, Ronnie Vaugoules, Bruce Charters and Stephen Hoffart. Missing from the picture are George Bergevin and Wayne Ethier.

Jelley gets bye to boxing final

Paul Jelley will travel to Calgary on Saturday to fight for the 125-pound open spot on the provincial boxing team.

Jelley received a bye into the provincial finals when he found he had no opponent in

the Southern Alberta eliminations at Rocky Mountain House last Saturday.

Two other St. Albert boxers lost out in their bids for a spot in the finals. Jim Kelly lost a split decision

to Brian Lee of Hinton in the 105-pound division and Gary Larsen was defeated by Don McBride of Calgary in the 85-pound class.

The St. Albert boxers entered the Southern eliminations by transferring to the Breton Club.

Jelley will fight Ken Hicks of Fort McMurray in Calgary.

Another St. Albert boxer, Donnie Wilson who fights out of the R Gym in Edmonton, will also be in the provincial finals, meeting Dale Anderson of Rocky Mountain House. Wilson beat Anderson for the 110-pound title in February but they are now fighting in the 112-pound novice class.

The winners from Calgary will fight in the Kinsmen Field House in Edmonton on April 21. A team of seven boys from Detroit will fight on the card and there will also be four from Vancouver, four from Prince George

and one from the Yukon.

Oilers to practice Saturday

St. Albert Oilers Senior Baseball Club will hold its first practice of the season Saturday, weather permitting.

Norman Lacoursiere, team manager, said Monday that anyone wanting to try out for the team should be at Mission Park diamond at 2 p.m.

Rob Mulloy, who took over as coach at mid-season last year, will be the field boss again.

George Fraser will handle a dual role, player and equipment manager.

Lacoursiere said that if it is too cold to practice Saturday, a team meeting will be held instead.

Oilers travelled to several tournaments last summer and came home with cash in their pockets every time.

They joined a league late in the season but this year hope to get in one early - one fairly close to home to cut down travelling expenses.

They also intend to play some more tournament ball.

CONFINED SHEEP FARMING

Scientists are currently experimenting with ideas that could move sheep farming from the hillsides into total confinement under an automated system.

A team of four research scientists in the Animal Research Institute of the Canada Department of Agriculture are working on this project. They are nutritionists Dr. David Heaney and Dr. E. E. Lister, geneticist Dr. Robert Peters and physiologist Dr. Hamish Robertson. Their goal: develop management and strains of sheep that will produce at least two lambs per litter, ideally twice a year.

A research team of scientists is working with breeds that are capable of increasing litter size. One of these — the Finnish Landrace — usually yields twins and some ewes have produced as many as six lambs in a litter.

There is evidence from research at other centers that this multiple birth characteristic can be crossed into the next generation. The breeding program will also emphasize the growth rate of lambs.

To obtain two litters a year, the lambs will likely have to be weaned at birth. This presents a tricky nutrition problem because the lambs must be fed from birth on an artificial diet. If a ewe nurses her lambs, re-breeding may be delayed so that she won't conceive quickly enough to reach the two-litters-a-year goal.

Weaning at birth is a key point for another reason. Ewes only produce enough

milk to send one lamb to market all economical rates of gain. In experiments at Ottawa, it was demonstrated that twin lambs reared on artificial diets can gain weight just as fast as single lambs living with their mothers. Under a system of artificial feeding, the more lambs a ewe produces, the better.

The biggest nutritional problem at the moment is devising an artificial diet for newly-born lambs. The sheep will be housed all year long in barns featuring light control, automatic feeding, metal mesh floors and liquid manure disposal.

Once the scientists establish the fact that total confinement sheep farming is possible and economical, farmers will likely move into intensive sheep management with speed. It could be a welcome boost to our economy.

Barrhead maintains badminton supremacy

The Veness Trophy, emblematic of badminton supremacy among the high schools of the North Central Zone, has returned to Barrhead for the fourth consecutive year.

The Barrhead badminton team won the trophy at the zone championships in St. Albert on Saturday, earning 18 points, nine more than runner-up Westlock.

St. Albert High School came in third with eight points, Bernice Parsons picking up five by winning the girls' singles and her sister, Roberta, picking up two for her third place finish in the same event.

Points were awarded on the basis of 5-3-2-1 for the top four positions in each of the five competitions.

The summary of team standings, for all teams that scored at least one point, follow: Barrhead 18, West-

lock 9, St. Albert 8, Thorhild 8, Ardrossan 5, St. Mary's (Westlock) 3, Bon Accord 2, Redwater 2, Athabasca 1.

Winners in the five categories follow. They will represent the North Central Zone at the Provincial Badminton Championships.

BOYS' SINGLES

1. Doug McMaster, Barrhead; 2. Gordon Pollard, Thorhild; 3. Mathew Woodstenoort, Ardrossan; 4. Morris Deter, Barrhead; 5. Chris Wold, Westlock; 6. Byron Gray, Westlock.

GIRLS' SINGLES

1. Bernice Parsons, St. Albert; 2. Trudi Semenuk, Westlock; 3. Roberta Parsons, St. Albert; 4. Deley Walker, Redwater; 5. Jennifer Danyluk, Ardrossan; 6. Edna Rocquet, Bon Accord.

BOYS' DOUBLES

1. Jim Kolasa, Ron Zolkowski, Thorhild; 2. Orvall Pall, Wes Smart, Westlock.

GIRLS' DOUBLES

1. Shirley Pusch, Carol Jones, Barrhead; 2. Norma Grandtols, Victoire McGillivray, St. Mary's.

MIXED DOUBLES

1. Noreen McMaster, Ron Kleinfeldt, Barrhead; 2. Theresa Regimbald, Murray DeAlexandra, Westlock.

Many people in the North Central Zone have never heard of Manola. Much credit to the outstanding record of Barrhead School in badminton competition can be traced to the Manola Badminton Club, an enthusiastic group of families who meet and play in the small hamlet near Barrhead.

The smooth play of Doug McMaster may serve as an example. He moved through the entire singles competition without a loss.

Meanwhile, Noreen McMaster and Ron Kleinfeldt emerged as mixed doubles champions after suffering a single loss. Their showing appears more impressive when it is realized these players are only in Grade 9 this term.

WEDDING

Charrois-Cloutier

St. Emile's Church in Legal was the scene of a double ring ceremony when Marie Antoinette, daughter of Mr. and Mrs. Paul Cloutier, became the bride of Normand Charrois, son of Mr. and Mrs. Patrick Charrois, all of Legal.

Father Martineau performed the ceremony. The altar was banked with Easter Lilies and spring flowers.

The bride was beautiful in a floor length gown of Italian peau-de-sele accented by a train of Chantilly Lace. She carried a bouquet of yellow sweetheart roses. Her jewelry was a gold pendant and earrings of cultured pearls, a gift of the groom. Her illusion veil was held in place by a flower and pearl head-dress.

The bride was attended by her sister Miss Paulette Cloutier, Miss Lorraine Charrois, sister of the groom, Mrs. Denise Hogue and Miss Ragelle Anger, friends of the bride. Their gowns were of spring gold nylon chiffon in empire line. They carried baskets of daisies with matching head-dresses.

The groom was attended by Guy Charrois, cousin of the groom, Dale Richard, cousin of the bride, Michael Hogue and Ernest Pelletier friends of the groom. The ushers were Richard Cloutier, brother of the bride and Maurice Charrois, brother of the groom.

The mothers of the bride and groom chose ensembles of identical material in dresses of turquoise peau-de-sele with matching coats

of cut velvet complimented by corsages of pink tea roses and flowers in their hair, with matching accessories.

A reception and banquet was held in the Legal Community Centre for 215 guests. A three tiered cake decorated the head table. Later in the evening advance was enjoyed by about 400 relatives and friends. Many out of town guests attended.

Mr. and Mrs. Charrois will make their home in Legal.

4-H CLUB ACTIVITIES

Four 4-H members from Nanao participated in the county speak-offs on April 11 at the Morinville Recreation Centre. They were Peggy Huff from the Nanao Clothing Club, Tom Bowman from the Nanao Beef club, Joan Ebbens from the Sturgeon Valley Dairy club and Audrey Gibson from the Nanao Garden club.

Audrey placed third and received a trophy donated by Curtis Feed Service in Morinville. Mary Borle of Villeneuve placed first and Joyce Rigney of Bon Accord placed second. Rodney Kyle of Almondale was fourth.

No Need For TV

In the Legislature

There is an over-supply of twaddle on television now, without adding thereto. But the opportunity to increase speechmaking, with a much larger audience to see and hear, cannot help being attractive to M.L.A.'s, and particularly those on the opposition benches.

Legal

Some 25 ladies attended the Christian Ladies Congress in Morinville last week.

The Christian Ladies, with the co-operation of the schools, sponsor a "Vocation Contest" throughout the diocese. The contest is divided into four categories:

The primary grades have to make a poster while the other grades have to write a composition on topics chosen by the committee. The four winners received a watch and attended a banquet to be presented with their awards.

Among the lucky winners was a Legal Grade seven student, Doris Auger. Her winning composition was entitled "Who Influences My Life."

Vimy

Henry Pelletier

Funeral services were held on Monday, April 7, for Mr. Henry Pelletier, 48, who passed away suddenly at his home on March 31.

Rev. A. Desjardins officiated, assisted by Rev. L. Tellier and Rev. R. Guerin in Our Lady of Victories Church, Vimy. Burial was in the church cemetery.

Born in Legal, Mr. Pelletier married Yolande Laforce in 1945 and they resided in the district for five years. In 1950 they moved to Vimy where they owned and operated Pelletier's Ezzo Service at Vimy Corner.

Mr. Pelletier is survived by his wife, three daughters, Mrs. Raymond (Simone) Houle of Picardville, Louise

and Agnes at home, and one son, Yvon, also at home; his father E. Pelletier of the Youville Home in St. Albert, three brothers and five sisters.

Pallbearers were Ben Gagne, Maurice Huot, Louis Despins, Hector Huot, Leo Provencal and Robert Sabourin, who through the years had been employed by the deceased.

Honorary pallbearers were his brothers and brothers-in-law, Philip Pelletier, Thomas Pelletier, Rodolphe Pelletier, Elvin Caron, Eugene Caron, Fernand Durand, Les Theroux, Louis Laforce.

Beneath Funeral Home Ltd. of Westlock was in charge of arrangements.

Legal Locals

Congratulations are extended to Mr. and Mrs. Meclae Casavant, married

NAMAO NEWS

Mr. and Mrs. Bud Horricks and family, Mr. and Mrs. Hugh Crozier and family, and Colleen and Ken Crozier have returned home from a trip to California and Mexico.

Get-well wishes are extended to Mrs. Phoebe Crozier, Mrs. Ken Stanton, Mrs. Polly Mclay and Mrs. Donald Harrold.

Saturday in Edmonton, Mrs. Casavant is the former Astrid Peters, daughter of Mr. and Mrs. Geoffrey Peters of Edmonton, and Meclae is the son of Mr. and Mrs. Louis Casavant from Legal.

Mr. and Mrs. Lucien Ouellette and family from Lethbridge were weekend visitors at the home of Mr. and Mrs. Louis Casavant.

The Legal Annual Sportsman Supper will be held on April 19 at the Community Centre. Awards will be pre-

sented. Tickets are available at Citadel Motors.

After spending two years at Inuvik, Mr. and Mrs.

Rock Belley and family have returned. They will now reside in Lloydminster, where Mr. Belley is employed.

Study lamps light the way to better learning!

The popular, approved College Study Lamp really does make study easier. Designed with the aid of vision experts, it gives bright but glare-free light. Ideal for boys and girls in all grades and through the university years too! Look for the green tag that identifies the approved College Study Lamp. It can actually improve marks by giving a better "Eye-Q!"

CALGARY POWER

Pure Electricity - Pure Convenience!

Ken Crooks heads St. Albert Liberals

Ken Crooks of St. Albert was elected president of the St. Albert Provincial Liberal Constituency Association at a meeting in the Club Moombo last week.

Paul Chalfoux of Morinville was elected vice-president and Ron Woodcock of St. Albert was elected secretary-treasurer.

Directors are: Past President Gerry Torpy, Jim Byrne, Ted Hole, Bill Penrose and Bob Russell of St. Albert; Mrs. Madeline Lamoureux of Fort Saskatchewan and Art Soetaert of Morinville.

About 40 persons attended the meeting, which doubled as a selection session for delegates to the leadership convention in Edmonton on April 25 and 26.

Delegates elected were: John Barnaschone, Wilf Borgstede, Jim Byrne, Marlene Crooks, Bill Morin, Terry Parsons, Bill Penrose, Ray Rix, June Rix, Joanne Russell, Lorne Sim, Marion Sim, Gerry Torpy, and Dick Wheatley all from St. Albert; Margaret Chalfoux and Art Soetaert of Morinville.

foux and Art Soetaert of Morinville.

Alternates are: Mrs. Lois Hole, Mrs. W. M. O'Hara, Albert Lesburg, R. M. Gibson, Mrs. E. Gibson and E. G. Hole of St. Albert; E. J. Calder and J. D. McRae of Morinville and Mrs. M. Lamoureux of Fort Saskatchewan.

Four young Liberals, Miss Dorothy Humbert, Paul Rapati, Paul Ripeol and Miss Brenda Gibson, all of St. Albert, will also go as delegates.

The three leadership candidates, Bob Russell of St. Albert, Dr. Donald Brangan of Manning and Jack Lowery of Calgary, attended the meeting, coming together for the first time in the campaign.

Mr. Russell, speaking on home ground, said the provincial legislature "is full of Conservatives" and claimed the Liberal party is the only alternative to Social Credit.

He said that stability is badly needed within the Liberal party in Alberta

and suggested that any leader must be electable.

Dr. Brangan said the Liberals must come up with better policies and top-calibre candidates.

"Then," he said, "we can go to the public and sell on quality, not quantity."

He said the picture is

much better than might be anticipated and suggested that the Liberals could govern Alberta in six years.

He said he didn't think the Liberals could win the next election, but they could pick up as many as 15 extra seats.

Mr. Lowery said many federal policies are "dyn-

amite" in Alberta and it is the job of the provincial Liberals to keep the federal party better informed and directed in this regard.

He said the provincial party must work closely with the federal party but it must be careful that the federal party doesn't sabotage it.

Mr. Lowery said the people in rural Alberta appear to be looking for an alternative to Social Credit and the Liberal Party offers the widest range of individual belief.

He said Peter Lougheed and the Conservatives could not provide the change the people sought.

Fire levels

Villeneuve building

A two-room building that used to serve as a school for the children of Villeneuve was destroyed by fire Sunday afternoon.

The St. Albert Volunteer Fire Department responded to the blaze but the frame building was ready to crumble by the time they arrived.

Efforts were concentrated

on saving three buildings nearby that the brisk wind threatened to carry the flames to.

Fire Chief Fred Tetarenko said it was believed the fire started from sparks from burning grass. The grass had been burnt off around the school earlier in the afternoon.

Bean Supper marks hockey wind-up

The 1st annual Bean Supper to mark minor hockey wind-up was held on April 10 at the community hall with a large number of people in attendance. Following the meal which was enjoyed by all, master of ceremonies, Mr. Paul St. Arnaud, called upon each of the coaches and managers of the different teams for a brief speech. Mite coach and manager, Mr. P. E. Huot and Lucien Huot, Pee-wees coach and manager, Mr. Paul St. Arnaud and Mr. Albert Blanchette, Mr. John De Champlain, coach of the Clyde Bantams thanked the Vimy boys who played on his team. For midgets it was Fern De Champlain

coaching and Mr. John Dussault managing.

Presentation of trophies followed the words of encouragement and thanks expressed by the coaches and managers.

Mr. Mike Hein presented his trophy to Real Huot for high scoring in mite division. The L'Heureux Store trophy was presented by Leo Provencal to Gilbert Bilodeau for high scoring of the pee-wees. The Pelletier Garage trophy was presented by Mr. Ric Landry to Peter Provencal for high scoring in midgets division. The Zadunayski Farms trophy was presented by Mrs. W. Zadunayski to Richard Provencal, captain of the mite team

in Southern Division Championship.

Denis Champagne presented an appreciation trophy to their coach and manager, namely Fern De Champlain and Johnny Dussault.

Ricky Provencal also presented an appreciation trophy to their coach, Mr. P. E. Huot.

A hockey film was enjoyed by all to terminate the event. It is hoped that fans and parents will give their continued support and encouragement as this is what has brought about such success.

There's a lot of nonsense to the effect that it is better to be poor and happy than to be rich and miserable. How about compromising by being moderately rich and a bit mopey?

Mother: "I'm happy to see that you are sitting still while your father naps."
Junior: "I'm watching his cigarette burn down to his fingertips."

The CWL convention held in Vilna was attended by Mrs. L. Bilodeau, Mrs. H. Joly and Mrs. M. Blanchette.

Mrs. C. De Champlain, D. L. Abbe, D. Fortier, Y. Blanchette, A. Gagne, attended the Christian Ladies Mouvement convention held in Morinville.

Recent visitors at the home of Mr. and Mrs. Leon Huot were Mr. Tom Proulx and daughter Connie from Gimli, Manitoba. Mr. and Mrs. Edward Proulx from Calgary also visited their sister and family.

Mrs. Laura Fortier spent a week visiting her children in this area. Mrs. Paul Hogue from Morinville is spending two weeks with her daughter and son-in-law, Mr. and Mrs. G. Fortier.

Mrs. M. B. St. Arnaud has returned to her home for the summer and fall seasons.

Recent visitors at the

home of Mr. and Mrs. Leger Huot were Mrs. Albert Huot accompanied by her son and daughter-in-law Mr. and Mrs. Jerry Huot from Edmonton.

Mr. and Mrs. Wilfrid Sequin have returned from an extended holiday in the south.

We were sorry to hear that Mrs. L. Huot had to

return to the hospital. Best wishes for a speedy recovery.

The Christian Ladies Movement will hold a bake sale on April 19 from 10 to 4 p.m. at Ray Lanouette's Insurance Office. Everyone welcome.

The 1st annual social evening held by the Sports Association will be held on Saturday, April 26. All hockey fans are asked to contact the directors for tickets as only a limited quantity are available.

Farmers need help - Barber Report

* Never in recorded history has any industry had to make such a large adjustment to technological change in so short a time -- and with so little government help -- as has Canadian agriculture.

This is the view expressed by Dr. Clarence L. Barber, chairman of the Royal Commission on farm machinery and head of the economics department at the University of Manitoba, in a paper 1/ prepared for the Canadian

Agriculture Congress in Ottawa.

Dr. Barber said a large part of the change in Canadian agriculture -- change that had reduced the farm population by 1,250,000 in the last 25 years -- was due to technological changes in farm machinery.

These machinery changes produced economic benefits worth roughly \$1,000,000,000 a year, he estimated. Yet the great bulk of these benefits had gone to consumers. Little of the benefit had gone to the farmer,

except in terms of a higher value for his land.

Contrasting the farmers' situation with that of railway workers affected by technological change, Dr. Barber said that if Mr. Justice Samuel Freedman's recommendations concerning the CNR run-throughs are applied, displaced railway workers will receive substantial protection.

"But if it is right and proper to extend this kind of protection to railway workers, why is it not right and proper to accord similar

protection to those employed in agriculture? Both are the victims of technological change. In both instances society receives very large benefits as a result of this technological change.

"Providing the same kind of protection to those employed in agriculture would be more difficult. But should not the issue be squarely faced?"

Dr. Barber said the rapid changes in farm machinery have had these major effects:

-- The number of workers in agriculture has been greatly reduced, although farm output has increased 50 per cent in the last two decades.

-- New machines have made it possible to farm more land, so the size of farms has grown -- a trend that is likely to continue. How far will it go? One measure is the "survival test" -- a test that separates all farms into two size groups, one expanding and

the other declining. The dividing line for Canada as a whole is an estimated 560 acres, and 80 per cent of all farms and nearly half the country's total farm acreage are still below that level. The level is estimated at 240 acres in Ontario and

Quebec, 560 acres in Manitoba and Alberta, and 760 acres in Saskatchewan.

-- While labour earnings have been depressed in relation to earnings in other jobs, returns to farm land have increased and land values in many parts of Canada have risen sharply. The increase across Canada has averaged 50 per cent.

Dr. Barber also sharply criticized the small amount of farm machinery research undertaken in Canada. Despite the large returns that have resulted from improvements in farm equipment Canadian governments and universities have until recently "provided an almost negligible amount of funds for research in farm machinery."

POOL MEMBERS' REFUND CHEQUES are now in the hands of Pool Agents

Golf Club will open Thursday

It was only a matter of weeks ago that in thousands of homes across Canada, sighs of relief could be heard long and loud.

They came from women, widowed through the winter months by the game of curling, as they saw their men pack away their brooms.

Now, they mused, to the work around the house long neglected, the preparing for spring.

In most cases, however, the sighs came a little too soon. Because when most hands put the curling brooms away, they came out clutching a golf club.

The golfing season in the St. Albert area will officially get under way Thursday

(weather permitting) when the Sturgeon Valley Golf and Country Club opens its doors for business for 1969.

The 18-hole course is nearly completely dry and permanent greens will be played opening day.

Men's par is 37 over the 3,363-yard front nine and 36 over the 3,214-yard route coming in.

Mike Tomash is professional at the semi-private club, which has a well-

equipped pro shop and clubhouse facilities.

The club, which opened in 1962, has nearly 100 share-holders. Shares sell for \$300, which includes green fees for the 1969 season.

The club also offers associate memberships at \$100 for a family and \$85 single; season tickets at \$70 single; and a rate of \$25 for students up to 16 years of age.

Daily green fees are \$1.25 for nine holes and \$2 for 18, with the exception of Saturday and Sunday when it is \$2 for nine or 18 until 2 p.m., at which time they revert to the regular daily rate.

Information can be obtained by phoning Tomash at 799-5730.

ANNUAL MEETING

AND ELECTION OF OFFICERS

Friday, April 18 7:30 P.M.

CLUB HOUSE - GRENELL AVE.

Northern Wheelers hold first races

Twenty-six riders turned out to the Northern Wheelers Cycling Club's first races of the season Sunday.

Erik Peters of Velo Sport Edmonton travelled the course on Highway 2 five miles north from the weigh scales and back in 28:07 to win the restricted-gear time trial.

He was followed by Peter McCaffery of the Wheelers (28:28) and Tony Raven of Velo Sport (28:55).

In the unrestricted gear event, Geoff Gadd of Velo

Sport came in first with a time of 28:02, Marijan Kahlina (29:32) of Velo Sport was second and Klaus Mikulski (30:03) of the Wheelers was third.

There was also a four-mile schoolboys' event, Greg Peters of Velo Sport emerging the winner with a time of 12:02, Leon Herbert (12:37) and Dale Roy (14:02), both of the Wheelers, finished second and third respectively.

There was one tricycle tacking the 10-mile course, Geoff Peters clocking 32:30, Len Gibbons and Jim Long, both from Calgary, made it in 24:58 with their tandem.

The Northern Wheelers plan another outing this Sunday over the same route. There will be another 10-mile time trial and also another run for schoolboys.

RECREATION

TENNIS CLUB

The annual general meeting of the tennis club will be held in the Clubhouse on Friday, April 18 at 7:30 p.m. Last year the club had a very successful season and members - and anyone interested in joining - are invited to attend the meeting on Friday when reports will be presented and the executive for the coming season elected. As the junior representatives will also be elected, all juniors should make a point of attending.

YMCA - CHESS

A meeting of people of all ages interested in playing chess will be held at the United Church (on the Highway) on Thursday, April 17 at 7:30 p.m.

Baseball players to register

Registration for Little Canadian Baseball will be taken at the Clubhouse at 6 p.m. tonight and Thursday.

Any youngster wishing to play should pick up a registration form at his school, fill it out and present it along with \$1 of the clubhouse.

Little Canadian Baseball will again be sponsored by the St. Albert Lions Club and the Knights of Columbus.

It is open to players from eight years of age to those who will not be 13 until Aug. 1 or later.
Anyone wishing to coach is asked to contact Perry Billingsley at 599-5460.
Anyone willing to offer his services as an umpire should contact Lance Gote at 599-6926.

Better get your Local peewees foot powder ready lose out in tournament

Interest is again being generated by the Miles for Millions Walk and it appears that when it rolls around May 3 new records will be set in Edmonton for marchers and money raised.

Last spring 22,000 people marched on hundreds of thousands of blisters for a total of \$326,000. Last fall in Calgary more than 30,000 people marched to tally up \$436,000. This is the figure Edmonton will really be interested in breaking.

The route has been changed this year because of the congestion caused around Renfrew Park and the downtown area last year. This year the walk will start at the Jubilee Auditorium, proceed south on 114th Street to 71st Avenue, west on 71st Avenue to cross the Queenell Bridge. From there it's north on 140th and 156th Streets to 111th Avenue, east on 111th to the Great Road, north to 118th Avenue and then east to 127th Street.

The route then goes north to 132nd Avenue, east along 132nd Avenue to 82nd Street, south to 18th Avenue and a detour through the exhibition grounds, rejoining 82nd Street for a brief time before hitting Jasper Avenue.

The next turn is south at 107th Street, following the river along to the great bridge, then across it and back to the Jubilee.

Sponsor forms are available in St. Albert from the Safeway Store in the shopping centre.

Posse to new secretary: "Mabel, I don't know how you do it. You're only been here two weeks and already you're a month behind."

We don't mind giving the government our shirts; we'd just like to know whose bureau they're kept in.

"Moderation and work are the only real medicines for man."

St. Albert woman wins damage suit

A St. Albert woman has won her damage suit against the Alberta Department of highways.

Mrs. Margaret Elizabeth Mauriello of 31 Gladstone Cres. was awarded \$4,227 by Mr. Justice Michael O'Byrne in Supreme Court.

Mrs. Mauriello had claimed negligence by the department in maintaining a section of Highway 2 west of Jousard, near Slave Lake, was responsible for an accident when she was driving a car on June 14, 1966.

She claimed the highway is the responsibility of the

department and that the car entered a large hole in the road, causing her to be seriously injured.

The department claimed it was her negligence which caused the accident.

Mr. Justice O'Byrne said he found 50 per cent negligence attached to both parties. He assessed damages and loss at a total of \$8,455 and awarded half this amount to Mrs. Mauriello.

G. H. Saxton, the plaintiff's lawyer, said an appeal is being considered to have the award changed to 100 per cent. He said the appeal court would also be asked

to find that Mrs. Mauriello had not been negligent.

Invite Public Opinion In School Act Change

The Alberta Department of Education, in considering total revision of the School Act, will invite the public at large to submit proposals which will be considered by the committee made up of members of the Alberta Teachers Association, the Trustees Association, and representatives from the University. The Advisory Committee, responsible to the Department of Education for submission of all proposals, is supervised by Mr. Bryant Stringham.

Many changes in the School Act were made in 1955 and many amendments have been incorporated throughout the years. However, there is a changing philosophy on the concept of the purpose of the school, and the purpose of the committee is to bring the act up to date to fit in with the new modern concept of education.

The proposals will be ready for draft in the next session of the legislature.

BASEBALL
The Lions Club and Knights of Columbus are again sponsoring Canadian Little League Baseball in St. Albert. Through the courtesy of the schools, registration forms have been distributed to students who, to qualify to participate in Little League, should not attain the age of 13 before Aug. 1st. Registration, with the fee of \$1, should be presented on either of the two registration nights being held in the Clubhouse (beside the Swimming Pool): April 16 and 17, at 6 p.m. on both evenings.

So that every boy who wants to play baseball will get a chance to do so, more coaches and assistant coaches are urgently needed. Please phone Ken Moore at 599-8143 and tell him you are willing and have the time to help.

St. Albert singers to present concert

The St. Albert Singers will present An April Evening of Song in the lower hall of the United Church at 8 p.m. on April 25 and 26.

Directed by Mrs. Lillian Upright, the Singers will present folk music, Sea Shanties and Vaughn Williams' Serenade to Music.

The Singers were formed last October with the United Church Choir as the nucleus. They made their first public appearance in December, presenting a family Christmas Chorus.

The United Church choir meets each Thursday and after an hour of practice, they are joined by other adults and some high school students and the St. Albert Singers emerge.

Mrs. Upright has far-reaching plans, as far as community choirs are concerned.

She foresees several youth choirs in St. Albert, with a boys choir starting next fall and a junior high girls choir shortly after.

RECREATION

hi-lites

ARTS & CRAFTS GUILD

A very successful primitive firing took place last Saturday morning in Lions Park. Even the weather cooperated and 27 children turned out to fire their pots outdoors under the direction of Mrs. Zuk. Everyone had a wonderful time and the help of the mothers who came to watch and stayed to assist was much appreciated.

A family race course is being planned for sometime in May. This will probably be held on Saturday mornings for three weeks; an announcement will be made later when plans are finalized.

SOCCER

A final registration night for boys wishing to play soccer, sponsored by the Hercules Sports Association, will be held in the Clubhouse on Friday, April 18 from 7 to 8:30 p.m.

Boys, aged 8 to 16 years, who haven't already done so, are invited to register at this time.

The cost of a single membership in the association is \$3. A family membership is \$5.

Mr. Lloyd Hopkins, soccer director, (599-7887) will be very pleased to hear from anyone, with or without experience, who is willing to volunteer as a coach or manager.

ASTRONOMY

Derek Wilkinson has already had response to the item in this column last week asking young people interested in astronomy to contact him. Boys and girls who are interested in this subject should phone Derek at 599-8593.

How about the scientist who crossed a ferocious lion with a parakeet. When asked what he got, the scientist said: "I don't know, but when it talks, I listen!"
